Taking Space Saving to Extremes

HS-2410W

Space Saving All-in-one POS Terminal

POSIFLEX

The **HS-2410W** is the solution for the counter space problem. It takes the all-in-one concept to the extremes! The compact all-in-one design of HS-2410W frees more room for counter space, so that the store owner can display and promote more merchandizes to maximize sales opportunities.
Compact

The compact footprint of HS-2410W makes itself adaptable to a wide range of counter styles and allows every inch of the work space usage to be optimized, thus creating maximum profit return for the store owners. This is what space saving is all about.

Innovative All-in-one Terminal

As an "all-in-one" solution, the HS-2410W touch screen terminal integrates some of the most widely used peripherals in daily POS operation, such as 2" thermal printer, MSR, smart card reader, fingerprint sensor and 2nd customer display, and has the features and functionality to cater for applications in retail, hospitality, health care, banking and more, while offering uncompromising performance.

Aesthetics

Dressed from head to toe in timeless black or white color, the only trend that never goes out of style, and with stylish touches added throughout, the HS-2410W is not just a piece of machinery, it is an elegantly crafted piece of art that looks right at home in any store decoration.
